

ARE YOU LOOKING FOR A FUN, HANDS-ON FIELD TRIP FOR YOUR

PRESCHOOL?

Check out our **ASTROTOT** program!

Rockin' Rockets

Astrotots will learn about rocket basics, see a “live” launch in our mission control and do a hands-on project.

Cosmic Constellations

Astrotots will learn about stars and constellations in our star dome, go on a star hunt in our mission control room and do a hands-on project.

Mighty Magnets

Astrotots will discover how magnets work, spend time in our transporter room and do a hands-on project.

Time: 1 hour per session

Location: Challenger Learning Center (located on WKCTC campus)

Cost #1: Up to 15 children \$100 *(2 adults required to attend)*

Cost #2: 16-28 children \$150 *(3 adults required to attend)*

- Limited Space Available.
- Event fee is due at time of registration.
- Registration is on a first come, first serve basis.
- Dates available in spring/summer 2010.
